Mo. Dulles:

You will recall that Shef, (CI) and

25X1 (Security) recently told you about a possible Bureau request to another government department to set up a program similar to our project Jim called this afternoon and said that he and Shef had just completed a most "agreeable" meeting with

25X1 —— all ended well, the Bureau is most anxious for us to continue as a project of common concern, will furnish us leads and will share in the "take" of information of interest to the FBI.
